SKILL 01 OF 06

01

Empathy, *the practical kind*

You know what the person is actually trying to do.

SKILL 02 OF 06

02

Spotting friction

You have heard where things break, a thousand times.

SKILL 03 OF 06

03

Clear writing

Every unclear sentence becomes the next support ticket.

SKILL 04 OF 06

04

Patterns in feedback

One complaint is noise. Fifty is a roadmap.

SKILL 05 OF 06

05

Calm under pressure

A frustrated person is information, not a threat.

SKILL 06 OF 06

06

Cross-team communication

You already translate between customers and builders.
